By Rail

From Magdeburg's main train station (Hauptbahnhof) take the streetcar to the Fraunhofer IFF (planning for approx. 30 min. travel time.). Leave the station through the main exit, turn left and go to the next major street (Ernst-Reuter-Allee). At the stop City Carré/Hauptbahnhof take streetcar number 1, 4, 6 or 8 headed for downtown (Stadtzentrum) to the next stop Alter Markt or Allee-Center and transfer there to streetcar number 5 headed for Messengelände. Get out at the stop Askanischer Platz. From there, it's a two minute walk. (The Fraunhofer IFF is to the left of your direction of travel.)
